

ORGANIC GARDENING CLUB OF CENTRAL OHIO

Tuesday, October 25, 2005 – 7:00 p.m.

**Museum of Biological Diversity
1315 Kinnear Road, Columbus, OH**

FALL HARVEST POTLUCK DINNER

SHARING OF THIS YEAR'S GARDEN EXPERIENCES

It's time to celebrate the bounty of our gardens with a Fall Harvest Potluck Dinner, beginning promptly at 7:00 pm. It is suggested that covered dishes to be shared be prepared using some of the products from your garden if possible. Also, please bring your own table service. Coffee and Cider will be provided.

Please bring along a copy of the recipe you have used in preparing your dish. With your permission, this will be used in a cookbook we are trying to get organized as a collection of favorite recipes contributed by all the members of the group. If you have other recipes or ideas for the cookbook, please feel free to provide as many as you wish. Be sure your name is on each recipe so you can receive appropriate credit.

Rather than a formal program, all those who care to will have an opportunity to share his or her gardening experiences, their successes and failures, how they handled the dry weather, and any other comments about this year's garden. Some crops flourished while others went by the wayside. Perhaps you know of different varieties of plants that tolerate the heat and lack of rain that we experienced this year.

There will be no meetings in November and December due to the many time-consuming activities of the holiday season. We wish each and every one of you the best of everything during this time of celebration with family and friends.

At the January meeting, plans are being made to have a silent auction of items you no longer use and wish to dispose of, so look around your storage areas and garages and gather up anything you can find that is no longer needed by you. These items do not necessarily need to be garden related, the more variety the better. The items will be sold to the

highest bidder and 25% of the proceeds will be donated to the Club as a fundraiser. This is better than holding a yard sale, no advertising costs are involved, it's cheaper than selling on E-bay, and everyone goes home a winner.

We look forward to seeing you on the 25th.
